2. 991 GT3 Rear Wing Riser Install

- 2.1.** Verus Engineering is not responsible for damage to you or your vehicle by following this manual and/or installing Verus Engineering products.
- 2.2. Note: It is highly recommended to have a helper for this installation.**
- 2.3.** Open the trunk and disconnect the 3rd brake light cable

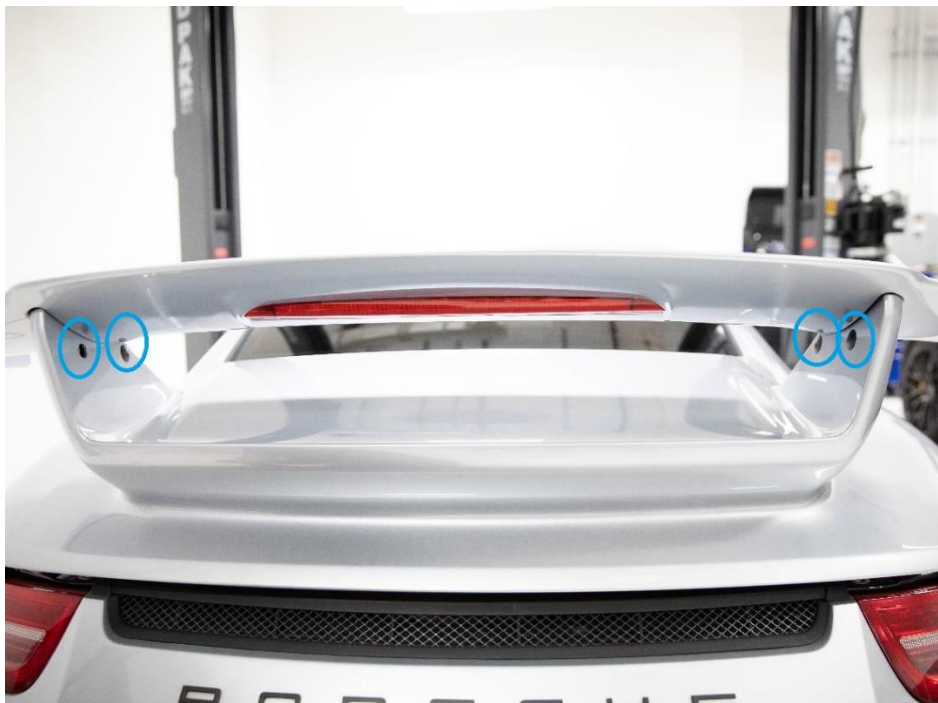

Confidential: Property of Verus Engineering. Not for Distribution outside intended recipient list.

Wing Riser 991 GT3 – Install Manual

- 2.4.** Remove the four (4) rubber gromets on the inside of the spoiler. You can use a plastic pick to remove the gromets. Be careful not to damage the paint. Then remove the hardware holding the spoiler in place using a T40 socket.
